2025 Contents

I. INTRODUCTION

The *Sexual Misconduct Campus Climate Survey* is being conducted by Governors State University ("GovState"). The purpose of the study is to provide information about the behaviors and perceptions that current students have related to GovState. You will be asked to complete a questionnaire concerning: relationships, sexual experiences, experiences with dating violence, and perceptions about safety at GovState during the last 12 months.

The questionnaire should take approximately 15-20 minutes to complete. All of the information provided in the questionnaire will be anonymous.

At the end of the questionnaire, you will have the opportunity to register for GovState's participation drawings to win a Visa Gift Card.

Illinois law (110 ILCS 155/35) requires GovState to conduct the *Sexual Misconduct Campus Climate Survey* annually; however, your participation is **voluntary and may be withdrawn at any time without penalty or prejudice**, and if you have any additional questions concerning this survey, you may contact:

Director of Compliance & Ethics Officer
Title IX Coordinator

University Park, IL 60484
Telephone: 708-534-4846
Email: titleixofficer@govst.edu

You are not required to answer any questions in the survey and you can choose to select a "prefer not to respond" option.

Potential risks and/or discomforts you could experience during this study include upsetting or distressing thoughts or feelings when answering questions related to sexual assault victimization and potential traumatic life events. If you feel upset during or after the study, you can contact the **YWCA's Rape Crisis Hotline at 888-293-2080 or chat online**. This is a confidential resource available 24/7 and provides survivors of sexual violence and their significant others immediate support, crisis intervention, and referrals in the city of Chicago and surrounding suburbs. The volunteers and staff at the hotline have received extensive training in sexual assault crisis intervention. It is the Rape, Abuse and Incest National Network (RAINN) affiliate for the city of Chicago. In addition, if you feel these topics will cause a trigger of a past negative situation, do not take the survey. The survey is not meant to cause anyone significant distress.
