Michelle Carmichael – ROE

D. Rodgers – OSF Health

Lisa Maynard, Joan Montoya, Leah Grecco, Jacki Blackburn, Keith Downes, Erica Hahn–
Social work/various agencies.

The May meeting for the Peoria County ROSC was a great success. We had 47 people in attendance. This was the largest ROSC meeting that PCR Coordinator has ever been a part of! This was a great achievement. Our presenter was Robin Henry, COO of Solvera Health. Robin's presentation detailed the services provided by Solvera Health. Robin also included the clientele that is served, which is a wide range of people from many different demographics. A wonderful and informative Q and A session followed the presentation. We were also very fortunate to have youth sector representation from the Regional Office of Education, as well as Trillium Place Young Minds Center. Council members were engaged and appreciated the presentation and information a great deal. PCR did a 5-to-10-minute rap session on underserved areas and demographics. The consensus is that we need to have more events and try to reach more rural populations. PCR Coordinator has met with council members, colleagues, and superiors to discuss the strategic plan and the trajectory of the Peoria County ROSC. There is great momentum at this present time. Many future collaborations and events are in the planning process.
